

Parent's Guide to the B'nai Tzedek Program and Area Organizations

If your child lives in Northeast Florida, he or she is invited to establish a B'nai Tzedek Fund in his/her name with gift money for becoming a Bar/Bat Mitzvah. Please fill out the attached form and submit it along with a minimum contribution of \$125 to the Jacksonville Jewish Foundation. Checks should be made payable to "**Jacksonville Jewish Foundation**" memo line to read **child's name B'nai Tzedek**. This amount will be matched by contributions of \$125 from the Jacksonville Jewish Federation and \$250 from the Gottlieb Family Philanthropic Fund for a starting balance of \$500. We encourage you and your child to add additional monies to the Fund at any time and in any amount and to ask friends and loved ones to contribute to the Fund to commemorate special occasions.

Every year for twenty years, every B'nai Tzedek participant will be able to recommend that a contribution be made to any Jewish charitable 501(c)(3) organization of his/her choice in the Northeast Florida area. The amount of the contribution will be 5% of the fund balance as of the anniversary of the Fund (minimum \$25). The fund will be professionally invested and managed with the Jacksonville Jewish Foundation's other funds. There will be a 1% annual administrative fee.

After twenty years, the Fund will be converted to a permanent Endowment Fund of the Jacksonville Jewish Foundation in the name of the original B'nai Tzedek donor. It must meet the minimum balance required by the Jacksonville Jewish Foundation and will be regulated by the then current bylaws of the Jacksonville Jewish Foundation.

All questions and comments should be directed to the Executive Director of the Jacksonville Jewish Foundation at (904) 394-0720.
